

Weekend worship is great together, but to really get to know one another you need to take the next step. **Join a Faith Group!** These six week Lenten Faith Groups at First UMC are designed to help you connect with God and with one another as you discuss the sermon series inviting us to "Connect with the Goodness of God."

Choose your next step of growing in faith and in relationship with one another from the options below!

It gives me joy that our Holy Moly and Youth Group will use a specialized curriculum created in-house to coordinate with our Connect sermon series. We are relying on gifted volunteers to minister to our K-5th graders Sundays at 10am. If you've ever enthusiastically shouted "Holy Moly!" I ask you to consider rotating in to help with a Holy Moly class during our six week Lenten Series. Find out more at our **Kids Connect Planning Mtg Tues, Feb 6, 6:30pm.**

I am praying for you as you take a step to connect with God and with one another at First UMC.

First United,

Pastor Tish
